## Lane Closures on Area Roads

---

**Chipley** – Drivers are reminded to practice caution while traveling in and around the work zones in Northwest Florida Sunday, March 19 through Saturday, March 25.

### Bay County:

- **23rd Street Flyover Project at State Road (S.R.) 30 (U.S. 98)** - Workers are driving pre-stressed concrete piles for the eastbound U.S. 98 permanent bridge. Contractors have set precast coping for ramps and the MSE wall on the north side of U.S. 98. Traffic control signs and variable message boards are on site to direct traffic.
- Intersection improvements are taking place on **U.S. 98 at S.R. 79** in Panama City Beach. Drivers are reminded to use caution while traveling through the work area.
- A new traffic signal and turn lanes are being installed on **S.R. 79 at Bay Parkway** in Panama City Beach. Watch for daytime lane closures.
- A safety improvement project to install dual left turn lanes on **U.S. 98 (S.R. 30) at Richard Jackson Boulevard** continues. Watch for temporary lane closures.
- Construction to replace the **Arthur Drive Bridge over Lynn Haven Bayou** is underway, crews are driving sheet pile. During construction the bridge will be closed, motorists will use Maryland Avenue, west 14th Street, Connecticut Avenue and Arthur Drive as a detour route.

### Gulf County:

- Remain alert on **U.S. 98 from Pine Street to Bay County line**, as new sidewalk is installed. Work is taking place off the roadway, pedestrians are reminded to use caution.

### Jackson County:

- **S.R. 73 from the Calhoun County line to County Road (C.R.) 167 / South Street** - There are no lane closures this week due to spring break. Work is taking place off the roadway.
- **I-10 from east of S.R. 71 to east of C.R. 69A** – Erosion control devices are in place, work will begin soon. Drainage work will occur along the corridor. No lane closures are anticipated.

All planned construction activities are weather dependent and may be rescheduled in the event of inclement weather. Drivers are reminded to pay attention to the reduced speed limit when traveling through the construction area.
