New Traffic Pattern at U.S. 231 and Star Avenue

Chipley – A new traffic pattern will be installed at the intersection of U.S. 231 and Star Avenue beginning Wednesday, June 5. Motorists traveling north on U.S. 231 wishing to turn right onto Star Avenue will no longer be permitted while the intersection traffic light is red during morning and afternoon peak hours.

Drivers are reminded to use caution, especially at night, when traveling through the construction zone, and to pay attention for workers and equipment entering and exiting the work area. All activities are weather dependent and may be delayed or rescheduled in the event of inclement weather.
